Absolutely amazing

"Father's Day with daughter and husband (of course). The food was wonderful, plenty of vegetables, lovely roasts and the meat was so tender. My husband and daughter had the mixed roast, some of each meats. I had the lighter choice and ate every bit. Plenty of gravy. Served with different sauces in little dishes, cranberry, horseradish, mint etc. The staff were very polite and cheerful. So full from the meal just had ice cream afterwards which was also wonderful. You can take your dog here if you want and there were a couple of dogs there (well behaved). having doggie ice cream. Would certainly go again and would highly recommend. Pity the weather wasn't better as there is lovely outside seating. Beautifully decorated inside and the little village of Alderton has some lovely buildings."
