Real Ales

We have chosen to work with a few local breweries to ensure we have the very best ale for our customers. We regularly change our ales so please ask at the bar for the latest ale.

We Are Serious about Gins

We are expanding our range of gins and tonics even further, so if you fancy something special then come and speak to us at the bar.

Gin of the Month

This month's gin of the month is Sharish Blue Magic Gin. This really is magical. One minute it's a vibrant, deep blue hue... but pour over tonic and ABRACADABRA, your G&T is suddenly a beautiful dusky purple/pink colour. The 'magic' is due to the flower Clitoria Ternatea that colours Sharish Blue Gin without the use of artificial additives. For more of our specialist gins please see our gin menu.
